Dear Colleagues,

We have just heard from BBC that a child kidnapping ring has just been exposed in Sebedoh. Information is sketchy at this stage but we understand that flood-affected children are being kidnapped by a black-market adoption organisation originating in the US.

*We are getting a lot of media calls asking for information as the protection cluster lead in Sebedoh and URGENTLY require a **situation update** on this. In addition, please send us **4 proposed talking points** for any media outlet requesting information to us or to your office in Sebedoh.*

We need this information IMMEDIATELY.

Kind regards, etc

From
