**TIME:** 1200 (DAY 4)

*Dear Colleagues,*

Oprah has received permission from the Sebedohan Government to shoot a documentary episode on the situation there.

She has decided that she wants to organise an 'exchange' between at-risk youth from the ghettos of the US with Sebedohan children displaced by the floods.

She approached the Department of Communications and we are very keen to work with her to raise our profile in the US.

As a member of the protection/education cluster we are perfectly placed to organize her visit and promote our protection programmes in Sebedoh. Please advise when she could visit for an initial 'meet and greet'.

*Kind regards, etc*
